Table Time (for Arcade Party Area Only)

Your table time is your allotted 90 minutes to eat, have cake, open presents, etc. If you do not have time to use all your attractions tickets, that is not a problem. You are welcome to stay longer at the facility, but you will need to remove all your belongings from the party area before the end of your allotted time. If no one is present at the end of the allotted time, items left in the party area will be moved to a storage room.

Arcade Party Area Seating

Each Arcade Party Area will have seating for up to 25 people. You may have additional people with you, but we will be unable to add any additional seats. Each Arcade Party Area is blocked off from the rest of the Arcade, but is not a private area.
